

FAO: All Potential Pearson VUE Tests Takers

A Newly Approved Pearson VUE Test centre in the centre of Reading

Our centre is available to cater for all your local staff certification.

Benefits of using us:

- We book your tests at **NO EXTRA** charge to save you time and the hassle.
- Provide **FREE** car parking on site.

Our testing environment:

- Is professional in appearance, free from distractions and comfortable
- has a secure, lockable testing area
- is easily accessible to the public
- provides access to people with disabilities, in compliance with legislation and regulations
- conform to the test centre layout developed & approved by Pearson VUE and Prometric
- Provides availability **throughout the year including Bank holidays, weekends and evenings with extended opening hours on Thursday evenings.** We know how valuable your time is, and how little of it you have to spare taking tests during working hours. So we open when others are closed to allow judicious use of your time.

Provide the following functional areas:

Testing Room (*dedicated to testing*)

- Provide desks that are 48”w x 30”d
- Utilize privacy panels to enhance test integrity
- Ergonomic chairs
- Secure area for storage of testing materials
- Permits access to lockers for candidates to securely store belongings during Tests.

Waiting Room

- Sufficient quiet space for candidates for last-minute revision for their exam
- Provide access to restrooms for coffee/tea
